

The Editors' Panel

How to get your paper published in the top international academic journals? Four editors and an associate editor of Communication Research Reports, Journal of Public Relations Research, International Journal of Strategic Communication, Corporate Communication: An International Journal, and Asian Journal of Communication will reveal the popular and not so popular research topics published in their journals and share their views on promising areas for publications in 2017-2019, as well as the strengths and weaknesses of a Chinese study to be published in their journals. They will also take questions from the audience.

The conference's simultaneous interpretation is brought to you
